

SPACE EXPLORATION

The Space Exploration Merit Badge Clinic is hosted by SpaceWorks Engineering, Inc. and Troop 266.

Join us for a chance to earn a great merit badge and learn about the past, present, and future of space exploration from rocket scientists working for Dunwoody's premiere aerospace research company. In addition to classroom-style learning, scouts will have a chance to build and launch model rockets.

DATE: Saturday, February 28, 2009

TIME: 9:30 am - 4:00 pm

LOCATION: Activities Center, Dunwoody Baptist Church

COST PER SCOUT: \$10 including lunch

Every scout must pre-register - class size is limited to 40

Registration ends on February 21 so sign up now! The \$10 fee will be collected at the door.

If you have any questions, please contact Michael Kelly of SpaceWorks Engineering: michael.kelly@sei.aero

Pre-register online: <http://www.sei.aero/meritbadge>
